- Apply promotion code "EFT" on the Shopping Cart page
- Our bank details will be emailed to you
- Please make immediate payment using parent's name as the reference

Other Notes: We normally have about 20 students with us on camp, of varying ages and always great fun. If we have more students, we have more staff facilitating the camp. We work of the Adult to Child ratio of 1:7 students. Students are to meet with a Quest Skills for Life guide(s) at Southern Cross Train Station in the Morning of the first day of camp to meet and run a camp introduction and icebreakers, we then plan our journey as a group to our Overnight Accommodation Centre as a team, and work out the best way we can get there (student led activity with Quest Skills for Life guidance). The theme of the Melbourne Quest School Holiday Camp is like all of our camps where students are the 'owners' of their camp experience, they will be given a task over the camp program to come up with a submission for a Hallmark Tourism Event (ie. FIFA World Cup) so that whilst they are travelling around Melbourne over the week, they are doing it for a purposeful reason. All students will need to bring their Myki with them for the camp with sufficient credit. Quest Skills for Life staff can purchase Myki Travel Credit at the students parent(s) or caregivers expense.

Duke of Ed Students: This is the same Booking Portal for you, please continue the booking process as follows.
